ILLINOIS COMMERCE COMMISSION

Illinois Commerce Commission
On Its Own Motion
vs.
Central Illinois Light Company
Reconciliation of revenues
collected under the EPA Charge
with actual costs

03-0168

ORDER COMMENCING RECONCILIATION PROCEEDING

By the Commission:

Section 9-220.1 of the Public Utilities Act (the "Act") states that any electric public utility may file a separate tariff designed to recover the fees paid under subsection 18 of Section 39.5 of the Environmental Protection Act as they are incurred, independent of any other matters related to its revenue requirement. Pursuant to Section 9-220.1, Central Illinois Light Company ("CILCO") has filed Rider EPA as a part of its electric tariffs.

Section 9-220.1 requires the Illinois Commerce Commission ("Commission") annually to initiate hearings "to reconcile amounts collected under the tariff with the amounts properly disbursed by the utility under subsection 18 of Section 39.5 of the Environmental Protection Act."

It is now appropriate to begin the reconciliation proceeding for CILCO for calendar 2002.

CILCO shall reconcile amounts collected under the EPA Charge with the amount properly disbursed by the utility under subsection 18 of Section 39.5 of the Environmental Protection Act. The reconciliation balance shall be the difference between (1) amounts properly disbursed by the utility under subsection 18 of Section 39.5 of the Environmental Protection Act in 2002, and (2) amounts collected under the EPA Charge billed in 2002 recovery period.

Two copies (one file copy and one staff copy) of the utility's proposed testimony and exhibits shall be filed with the Commission sixty (60) days after the date of this Order, provided, that nothing in this Order shall preclude the assigned Administrative Law Judge from permitting the electronic filing and service of testimony and exhibits, instead of paper copies, in a manner consistent with the Commission's Rules of Practice (83 Ill. Adm. Code 200, as amended effective October 15, 2000). Notice of the filing with the Commission shall be made by the utility in accordance with the requirements of 83 Ill. Adm. Code 255, in the manner such rules prescribe that notice be made for general rate increase. One copy of said filing shall be made available to persons seeking a copy upon request to the utility.

CILCO shall be named the Respondent in this proceeding.

IT IS THEREFORE ORDERED by the Illinois Commerce Commission that CILCO is hereby named as a Respondent to this proceeding.

IT IS FURTHER ORDERED that Respondent is hereby directed to appear before the Commission on prehearing conference and hearing dates to be scheduled, and to present evidence to show the reconciliation of amounts collected under Rider EPA with the amounts properly disbursed by the utility under subsection 18 of Section 39.5 of the Environmental Protection Act. In connection therewith, and prior thereto, Respondent shall file copies of prepared testimony and exhibits no later than sixty (60) days after the date of this Order, in the manner described in this Order hereinabove, and shall provide notice thereof in the manner described above.

IT IS FURTHER ORDERED that the Respondent provide to the Chief Clerk of the Commission, no more than seven business days after the date of this Order, a complete list of all municipalities within which the Respondent provides service. Include all such municipalities irrespective of whether the municipality is itself a customer, and irrespective of whether all or merely a fraction of the residents and other entities within the municipalities are customers of the Respondent. The purpose of this ordering paragraph is to allow the Commission to fulfill the notice requirements of Section 10-108 of the Public Utilities Act.

IT IS FURTHER ORDERED that the Chief Clerk be, and is hereby, directed to serve a copy of this Order on the designated agent of the respondent.

IT IS FURTHER ORDERED that this order is not final and is not subject to the Administrative Review Law.

By order of the Commission this 12th day of March, 2003.

PUBLIC NOTICE

Notice of filing of evidence regarding reconciliation of revenues and costs under Central Illinois Light Company's Electric Environmental Adjustment Clause and its Gas Environmental Adjustment Clause.

To the Patrons of Central Illinois Light Company:

Central Illinois Light Company (CILCO) hereby gives notice to the public that it has filed with the Illinois Commerce Commission evidence (direct testimony) regarding the reconciliation of revenues collected from its electric and gas customers under its Electric Environmental Adjustment Clause and its Gas Environmental Adjustment Clause, with costs incurred in connection with certain environmental remediation activities associated with its manufactured gas sites in Illinois.

A copy of such evidence may be obtained by any interested party at any Illinois business office of CILCO.

All parties interested in this matter may obtain information with respect thereto either directly from CILCO or by addressing the Chief Clerk of the Illinois Commerce Commission, 527 East Capitol Avenue, Springfield, Illinois 62706.
